By participating in the Transportation Association of Canada (TAC) Conference Technical Program, I agree that:

- My submission is provided with the knowledge and approval of my employer and/or related client(s). I understand that TAC reserves the right to exclude a submission from the conference if it has been submitted under false pretenses.
- My submission is provided with the understanding that it is substantially different from any presentations or papers delivered through other organizations (*for presentation session only*).
- I understand that my submission must not favour special interests, be of a commercial nature, or promote proprietary products or services.
- All costs related to participating in the 2025 TAC Conference & Exhibition, including for Conference registration fee, accommodation and travel, are my sole responsibility.
- I have read TAC's [Guidelines for Presenters and Authors: Preparing Slide Decks and Papers](#) and I agree to adhere to them if my abstract is accepted (*for presentation session only*).
- I assign TAC the right to publish and distribute the final version of all abstracts, slide decks and papers submitted. Authors may share or distribute their final paper, as long as it is the same version provided to TAC and published on TAC's website.
- TAC may record, edit and otherwise reproduce my presentation (including voice, image and slide deck; collectively, the "Authorized Material") at the 2025 TAC Conference & Exhibition and use it in various formats or manners as it sees fit. Copyright ownership of the Authorized Material, including the right to reproduce and edit (not alter) it, is granted to TAC in perpetuity. No monetary or other claims will be made against TAC for its use of the Authorized Material and I waive any right to inspect or approve a finished product wherein my voice and image appear.
